Complemento de Dx: asas

Resumen Clínico

As fun as the elder two-thirds of its main trio are, Tsumugi is easily the highlight of the show. She's precocious without being bratty, adventurous without being foolhardy, and a fiercely devoted daughter.

Exploración Física

As fun as the elder two-thirds of its main trio are, Tsumugi is easily the highlight of the show. She's precocious without being bratty, adventurous without being foolhardy, and a fiercely devoted daughter.
